# EAC receives largest gift in its history from Max and Clara Curtis Bennett

With their children raised, Charles Max Bennett and Clara Curtis Bennett enjoyed vacationing to different parts of the world each year. They appreciated the freedoms found in America and could see the benefits that education brings to our country. They also saw where other countries had made great strides forward as they made investments in their future through education.

When Clara passed away in 2004, Max wanted to do something that would keep her memory alive and help make the most of a difficult circumstance. Mrs. Bennett had often spoken of her time at Gila Junior College (Eastern Arizona College in the 1940's) as being some of the happiest of her life. As a result, Mr. Bennett called the EAC Foundation to see how he could start a scholarship in Clara's name.

As Max met the recipients of Clara's scholarship and saw them succeed in reaching their education and career goals, he decided to make the scholarships permanent. He added provisions in his

estate plan to create an endowment that would benefit students at Eastern in perpetuity.

Mr. Bennett passed away this past spring after seeing 14 years of students prepare for brighter futures because of this scholarship. Through the donation of his home and a generous portion of his retirement savings to the EAC Foundation, he created an endowment that provides annual support to student scholarships and the EAC Music Department. It will generate scholarship assistance sufficient to award six full scholarships for tuition, books, and room

and board each year. It will also provide approximately \$40,000 in program assistance to the music department annually.

This donation will bring great opportunities to many students each year and help the music department offer improved experiences.

The gift from the estate of Max and Clara Curtis Bennett is the largest gift to support Eastern Arizona College in its history.

# Class of 1967

## 50 Year Reunion

**M**embers of the Class of 1967 gathered from various places in Arizona, Georgia, California, Arkansas, New Mexico, New York, Virginia, and Florida to meet at the Gerald L. Hoopes, Jr. Activities Center to celebrate fifty years of progress since leaving Eastern Arizona College. After mingling for a bit the alumni gathered for pictures, then boarded an EAC bus for a tour of Campus.

After the tour they went to Discovery Park Campus' Circle D Ranch for lunch, sharing College memories and life experiences. They continued their tour of Discovery Park Campus and were able to see the Tinsley 20" telescope, the Gov Aker Observatory telescope, and ride the space shuttle simulator.

Reunion attendees then participated in the 117th Annual Alumni Banquet where they were recognized and inducted into the Alumni Association Emeritus Club.

It was great to see members share good memories of their experience at EAC and see classmates that they haven't seen for many years. Their experiences in life were varied, challenging, and inspiring. Class of 1967, we wish you the best in the coming years.

# The Class of 1968 prepares for its Golden Reunion

**C**an you believe it's been 50 years since you attended EAC? Tuition was only \$50 per semester. The average cost of a new car was \$2,500 and a home averaged \$14,950. Popular television included *Hawaii Five-O* and *Adam-12*, and color television sets often came in "furniture grade" wooden consoles. The Beatles continued to lead popular music with the album *Sgt. Pepper's Lonely Hearts Club Band*.

Members of the Class of 1968 are invited to come back, renew friendships, share feelings of nostalgia, and catch up on the last 50 years. Mark your calendars and plan to attend the Golden Anniversary Reunion of the Class of 1968 on Friday, May 11, 2018. Whether you graduated or attended one semester, come back and see the many changes that have been made to the campus.

The day will be full of enjoyable events. You will also have the opportunity to participate in the EAC Alumni Association Banquet and be honored at the 2018 Commencement. More information on reunion details will be mailed to class members.

Visit [www.eacalumni.org/1968reunion](http://www.eacalumni.org/1968reunion) to register for EAC's 1968 Reunion.
